

Redland Bay State School

Voluntary Contribution Scheme 2020

The voluntary contribution scheme is a scheme that is run by Redland Bay State School and endorsed by Redland Bay State School Parents & Citizens Association. The voluntary contribution for this year is set at \$40 for each child in Years 1-6 and \$60 per child in Prep. Families with three students or more attending Redland Bay State School are entitled to a discount rate (see table below).

Whilst the scheme is voluntary, the resources supplied through this scheme are of vital importance to the day to day learning processes in each and every classroom.

The scheme covers vital reprographics resources and art supplies. This includes consumable art supplies, booklets, handout materials etc. These items represent a large proportion of student's every day access to the very basic requirements needed to facilitate their learning throughout the year. Reducing the number of textbooks on the booklist and providing photocopied workbooks/worksheets through this scheme allow our teachers to provide a more individual and focused learning experience for your child.

Where a parent decides not to make a voluntary financial contribution, the student will not suffer educational detriment by way of school action as a result of the decision. Parents who chose this option may like to donate in-kind contributions, for example a ream of photocopy paper, a box of tissues for the classroom.

Please forward your payment to the school office. Money days are Wednesday, Thursday and Friday or you can pay online - details below. **Parents may choose to take advantage of the discount period of 27th March.**

<u>Prep Year Annual Contribution</u>	<u>Years 1-6 Annual Contribution</u>
* \$60 per Child	* \$40 per Child
* \$55 Early Bird discount (pay by 27 th March)	* \$36 Early Bird discount (pay by 27 th March)

We would like to acknowledge and pay our respects to the Traditional Custodians of the land we work and live on. We would like to extend that acknowledgement to their elders, past, present and emerging and thank them for allowing us to work together, share knowledge and walk alongside them in the education of our young ones.
